CONSULTANT PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

In consideration of my consulting relationship with Droisys Inc. Inc. (the "**Company**"), and the compensation now and hereafter provided to me, I hereby agree as follows:

1. NONDISCLOSURE

1.1 Recognition of Company's Rights; Nondisclosure. At all times during my consulting relationship with the Company and thereafter, I shall hold in strictest confidence and shall not disclose, use, lecture upon or publish any of the Company's Proprietary Information (defined below), except as such disclosure, use or publication may be required in connection with my work for the Company, or unless an officer of the Company expressly authorizes such in writing. I hereby assign to the Company any rights I may have or acquire in such Proprietary Information and recognize that all Proprietary Information shall be the sole property of the Company and its assigns.

1.2 Proprietary Information. The term "**Proprietary Information**" shall mean any and all confidential and/or proprietary knowledge, data or information of the Company. By way of illustration but not limitation, "**Proprietary Information**" includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, software programs and subroutines, programs, methodologies, databases, database criteria, user profiles, scripts, algorithms, other original works of authorship, know-how, improvements, discoveries, developments, designs, concepts, and techniques conceived, created, developed, made, caused to be conceived or developed or reduced to practice (hereinafter collectively referred to as "**Inventions**"); and (b) information regarding plans for research, development, new products, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, suppliers and customers; (c) information about the security of the Company, including access codes, passwords, security protocols, system architecture, and/or employee or user identification; and (d) information regarding the skills and compensation of other employees of the Company.

1.3 Third Party Information. I understand, in addition, that the Company has received and in the future will receive from third parties confidential or proprietary information ("**Third Party Information**") subject to a duty on the Company's part to maintain the confidentiality of such

information and to use it only for certain limited purposes. During the term of my consulting relationship and thereafter, I shall hold Third Party Information in the strictest confidence and shall not disclose to anyone (other than Company personnel who need to know such information in connection with their work for the Company) or use, except in connection with my work for the Company, Third Party Information unless expressly authorized by an officer of the Company in writing.

1.4 No Improper Use of Information of Prior Employers and Others. During my consulting relationship with the Company I shall not improperly use or disclose any confidential information or trade secrets, if any, of any former employer or any other person to whom I have an obligation of confidentiality, and I shall not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person to whom I have an obligation of confidentiality unless consented to in writing by that former employer or person. I shall use in the performance of my duties only information which is generally known and used by persons with training and experience comparable to my own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided to or developed by the Company.

2. ASSIGNMENT OF INVENTIONS.

2.1 Proprietary Rights. The term "**Proprietary Rights**" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world.

2.2 Prior Inventions. Inventions, if any, patented or unpatented, (a) which I made prior to the commencement of my consulting relationship with the Company; and (b) that are not related to Business of the Company are excluded from the scope of this Agreement. "Business of the Company" as used herein includes, but is not limited to facilitating, creating, developing or marketing a mobile marketing application for business to consumer use. To preclude any possible uncertainty, I have set forth on *Exhibit B* (Previous Inventions) attached hereto a complete list

of all Inventions that I have, alone or jointly with others, conceived, developed or reduced to practice or caused to be conceived, developed or reduced to practice (i) prior to the commencement of my consulting relationship with the Company; and (ii) which is unrelated to the Business of the Company, that I consider to be my property or the property of third parties and that I wish to have excluded from the scope of this Agreement (collectively referred to as "**Prior Inventions**"). If disclosure of any such Prior Invention would cause me to violate any prior confidentiality agreement, I understand that I am not to list such Prior Inventions in *Exhibit B* but am only to disclose a cursory name for each such invention, a listing of the party(ies) to whom it belongs and the fact that full disclosure as to such inventions has not been made for that reason. A space is provided on *Exhibit B* for such purpose. If no such disclosure is attached, I represent that there are no Prior Inventions. If, in the course of my consulting relationship with the Company, I incorporate a Prior Invention into a Company product, process or machine, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, modify, use and sell such Prior Invention. Notwithstanding the foregoing, I agree that I shall not incorporate, or permit to be incorporated, Prior Inventions in any Company Inventions without the Company's prior written consent.

2.3 Assignment of Inventions. Subject to Sections 2.4, and 2.6, I hereby assign and agree to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company all my right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by me, either alone or jointly with others: (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the Company. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 2, are hereinafter referred to as "**Company Inventions**." I hereby waive any moral rights I may have in and to the Company Inventions.

If any part of the Inventions is based on, incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced,

distributed and otherwise exploited without using or violating technology or intellectual property rights owned or licensed by me and not assigned hereunder, I hereby grant Company a perpetual irrevocable, worldwide royalty free non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Inventions, other work performed hereunder or any assigned rights.

2.4 Nonassignable Inventions. This Agreement does not apply to an Invention which qualifies fully as a nonassignable Invention under Section 2870 of the California Labor Code (hereinafter "**Section 2870**"). I have reviewed the notification on *Exhibit A* (Limited Exclusion Notification) and agree that my signature acknowledges receipt of the notification.

2.5 Obligation to Keep Company Informed. During the period of my consulting relationship and for six (6) months after termination of my consulting relationship with the Company, I shall promptly disclose to the Company fully and in writing all Inventions authored, conceived or reduced to practice by me, either alone or jointly with others. In addition, I shall promptly disclose to the Company all patent applications filed by me or on my behalf within a year after termination of my consulting relationship with the Company. At the time of each such disclosure, I shall advise the Company in writing of any Inventions that I believe fully qualify for protection under Section 2870; and I shall at that time provide to the Company in writing all evidence necessary to substantiate that belief. The Company shall keep in confidence and shall not use for any purpose or disclose to third parties without my consent any confidential information disclosed in writing to the Company pursuant to this Agreement relating to Inventions that qualify fully for protection under the provisions of Section 2870. I shall preserve the confidentiality of any Invention that does not fully qualify for protection under Section 2870.

2.6 Government or Third Party. I also agree to assign all my right, title and interest in and to any particular Company Invention to a third party, including without limitation the United States, as directed by the Company.

2.7 Works for Hire. I acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of my consulting relationship and which are protectable by copyright are "works made for hire,"

pursuant to United States Copyright Act (17 U.S.C., Section 101) (collectively "Works for Hire"). To the extent that any such Works for Hire fail to qualify as "works made for hire" under the copyright laws of the United State or any other jurisdiction, I hereby assign each such Works for Hire and property and all rights therein in any jurisdiction to the Company.

2.8 Enforcement of Proprietary Rights. I shall assist the Company in every proper way to obtain, and from time to time enforce, United States and foreign Proprietary Rights relating to Company Inventions in any and all countries. To that end I shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing such Proprietary Rights and the assignment thereof. In addition, I shall execute, verify and deliver assignments of such Proprietary Rights to the Company or its designee. My obligation to assist the Company with respect to Proprietary Rights relating to such Company Inventions in any and all countries shall continue beyond the termination of my consulting relationship with the Company, but the Company shall compensate me at a reasonable rate after my termination for the time actually spent by me at the Company's request on such assistance.

In the event the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph with the same legal force and effect as if executed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

3. RECORDS. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Company) of all Proprietary Information developed by me and all Inventions made by me (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the

Company, which records shall be available to and remain the sole property of the Company at all times.

4. ADDITIONAL ACTIVITIES. I agree that during the period of my consulting relationship with the Company I shall not, without the Company's express written consent, engage in any consulting relationship or business activity which is competitive with, or would otherwise conflict with, my consulting relationship with the Company. I agree further that for the period of my consulting relationship with the Company and for one (1) year after the date of termination of my consulting relationship with the Company I shall not, either directly or through others, solicit or attempt to solicit any employee, independent contractor or consultant of the company to terminate his or her relationship with the Company in order to become an employee, consultant or independent contractor to or for any other person or entity.

5. NO CONFLICTING OBLIGATION. I represent that my performance of all the terms of this Agreement and as a consultant to the Company does not and shall not breach any agreement to keep in confidence information acquired by me in confidence or in trust prior to my consulting relationship with the Company. I have not entered into, and I agree I shall not enter into, any agreement either written or oral in conflict herewith.

6. RETURN OF COMPANY DOCUMENTS. When I leave my consulting relationship with the Company, I shall deliver to the Company any and all drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Company Inventions, Third Party Information or Proprietary Information of the Company. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. Prior to leaving, I shall cooperate with the Company in completing and signing the Company's termination statement.

7. LEGAL AND EQUITABLE REMEDIES. Because my services are personal and unique and because I may have access to and become acquainted with the Proprietary Information of the Company, the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

8. NOTICES. Any notices required or permitted hereunder shall be given to the appropriate party at the address specified below or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or if sent by certified or registered mail, three (3) days after the date of mailing.

9. NOTIFICATION OF NEW EMPLOYER OR COMPANY WITH WHICH I CONSULT. In the event that I leave my consulting relationship with the Company, I hereby consent to the notification of my new employer, or person or entity with which I consult, of my rights and obligations under this Agreement.

10. GENERAL PROVISIONS.

10.1 Governing Law; Consent to Personal Jurisdiction. This Agreement shall be governed by and construed according to the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents. I hereby expressly consent to the personal jurisdiction of the state and federal courts located in Santa Clara County, California for any lawsuit filed there against me by Company arising from or related to this Agreement.

10.2 Severability. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. If moreover, any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

10.3 Successors and Assigns. This Agreement shall be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of the Company, its successors, and its assigns.

10.4 Survival. The provisions of this Agreement shall survive the termination of my consulting relationship and the assignment of this

Agreement by the Company to any successor in interest or other assignee.

10.5 Consulting Relationship. I agree and understand that nothing in this Agreement shall confer any right with respect to continuation of consulting relationship with the Company, nor shall it interfere in any way with my right or the Company's right to terminate my consulting relationship at any time, with or without cause. I acknowledge and understand that I am an independent contractor and not a partner, joint venturer or agent of the Company and I shall not bind or attempt to bind the Company in contract. I am solely responsible for all taxes, withholding and other statutory or contractual obligations of any sort, including, but not limited to Workers' Compensation Insurance; and I agree to defend, indemnify and hold the Company harmless from any and all claims, damages, liability, attorney's fees and expenses on account of (i) an alleged failure by me to satisfy any such obligations or any other obligations (under this Agreement or otherwise) or (ii) any other action or inaction by me.

10.6 Waiver. No waiver by the Company of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

10.7 Advice of Counsel. I acknowledge that, in executing this Agreement, I have had the opportunity to seek the advice of independent legal counsel and I have read and understood all of the provisions of this Agreement. This Agreement shall not be construed against any party by reason of the drafting or preparation hereof.

10.8 Entire Agreement. The obligations pursuant to Sections 1 and 2 of this Agreement shall apply to any time during which I previously served as a consultant to, or in the future serve as a consultant to or am employed, by the Company as a consultant if no other agreement governs nondisclosure and assignment of inventions during such period. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between us. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing and signed by the party to be charged. Any subsequent change or changes in my duties, salary or

compensation shall not affect the validity or scope of this Agreement.

I UNDERSTAND THAT THIS AGREEMENT AFFECTS MY RIGHTS TO INVENTIONS: (A) THAT I MADE PRIOR TO MY CONSULTING RELATIONSHIP WITH THE COMPANY THAT RELATE TO THE BUSINESS OF THE COMPANY AND (B) THAT I MAKE DURING MY CONSULTING RELATIONSHIP WITH THE COMPANY.

This Agreement shall be effective as of the first day of my consulting relationship with the Company, namely.

I HAVE READ THIS AGREEMENT CAREFULLY AND UNDERSTAND ITS TERMS. I HAVE COMPLETELY FILLED OUT EXHIBIT B TO THIS AGREEMENT.

THIS IS TO NOTIFY you in accordance with Section 2872 of the California Labor Code that the foregoing Agreement between you and the Company does not require you to assign or offer to assign to the Company any invention that you developed entirely on your own time without using the Company's equipment, supplies, facilities or trade secret information except for those inventions that either:

If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov.(c) ☒ Single or Married filing separately☐ Married filing jointly or Qualifying surviving spouse☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependent
and Other
Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by \$2,000 \$

Multiply the number of other dependents by \$500 \$

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here

3 \$**Step 4**
(optional):
Other
Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income

4(a) \$

(b) **Deductions.** If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here

4(b) \$

(c) **Extra withholding.** Enter any additional tax you want withheld each **pay period**

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

EMPLOYMENT AGREEMENT

January 3, 2025

Dear **Ram Maruthy Bodepudi**,

On behalf of DROISYS Inc. (the "Company"), I am pleased to offer you the Contractual position of **ML Engineer with Python**.

The terms of your new position with the Company are as set forth below:

1. Position.

- a. You will become the **Contingent** Employee of the Company, working out of the Company's client site or corporate office in Fremont, California. You will report to the Chief Executive Officer or person designated by him.
- b. You agree that, to the best of your ability and experience, you will at all times loyally and conscientiously perform all of your duties and obligations to the Company, to the reasonable satisfaction of the Company. You further agree that, during the term of your employment with the Company, you will devote substantially all of your business time and attention to the business of the Company, you will not render commercial or professional services of any nature to any person or organization, whether or not for compensation, without the prior written consent of the Company's Board of Directors, and you will not directly or indirectly engage or participate in any business that is competitive in any manner with the business of the Company. Nothing in this Employment Agreement will prevent you from accepting speaking or presentation engagements in exchange for honoraria or from serving on boards of charitable organizations, or from owning no more than one percent (1%) of the outstanding equity securities of a corporation whose stock is listed on a national stock exchange.

2. Start Date.

Subject to fulfillment of any conditions imposed by this Employment Agreement, you will commence this new position with the Company **on or before January 13, 2025**.

3. Proof of Right to Work.

For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

4. Compensation.

a. Base Salary.

You will be paid as mentioned in SOW i.e. Schedule A.

5. At-Will Employment.

Notwithstanding the Company's obligations described in Sections 5 and 6 above, I understand and acknowledge that my employment with the Company is for no specific term and constitutes "at-will" employment. I also understand that any representation to the contrary is unauthorized, invalid, and cannot be relied upon by me unless obtained in writing and signed by the authorized signatory of the Company and me. I further understand and acknowledge that I may be terminated by the Company at any time, with or without notice, for any reason or no reason, with or without cause, at the option of either the Company or myself.

6. Arbitration and Equitable Relief.

I agree that any dispute or controversy arising out of, relating to, or concerning any interpretation, construction, performance or breach of this agreement, shall be settled by final and binding arbitration to be held in Alameda County, California, in accordance with the National Rules For The Resolution Of Employment Disputes of the American Arbitration Association ("the AAA Rules"). A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties. If the parties cannot agree on an arbitrator, an arbitrator shall be appointed in accordance with the appointment and selection procedures set forth in the AAA Rules. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this Arbitration Agreement. The arbitrator may grant injunctions or other equitable relief in such dispute or controversy. The arbitrator shall apply the same substantive law, with the same statute of limitations and remedies that would apply if the claims were brought in a court of law. The parties shall be entitled to the same discovery rights as if the claims were brought in a court of law. The arbitrator shall issue a written decision setting forth the essential findings and conclusions on which the award is based. The decision of the arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction. The Company shall pay the costs of the arbitration. The Company and I shall separately pay our attorney's fees and expenses, unless a party prevails on a statutory claim and the statute provides that the prevailing party is entitled to an award of attorney's fees. In that case, the arbitrator may award reasonable attorney's fees and costs to a prevailing party as provided by law.

A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties; however, if the parties are unable to agree upon an arbitrator within a reasonable period of time, then a neutral and impartial arbitrator shall be appointed in accordance with the arbitrator nomination and selection procedure set forth in the AAA Rules. The parties shall be entitled to the same discovery requests as if the claims were brought in a court of law. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this arbitration Agreement. The arbitrator shall apply the same substantive law, with the same statutes of limitations and same remedies that would apply if the claims were brought in a court of law. The arbitrator may grant injunctions or other equitable relief. The arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The decision of the

arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction.

Either the Company or I may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. In addition, either party may, at its option, apply to the Fremont Superior Court and/or the Federal District Court for the Northern District of California for a temporary restraining order, preliminary injunction, or other interim relief, as necessary, for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential or proprietary information of either party. Except as otherwise provided in this Agreement, neither party shall initiate or prosecute any lawsuit in any way related to any arbitrable claim, including without limitation any claim as to the making, existence, validity, or enforceability of the agreement to arbitrate. All arbitration hearings under this Agreement shall be conducted in Fremont, California. Nothing in this Agreement precludes a party from filing an administrative charge before an agency that has jurisdiction over an arbitrable claim. In addition, either party may, at its option, seek injunctive relief in any court of competent jurisdiction for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential and/or proprietary information of either party.

This Agreement shall be governed by the Federal Arbitration Act ("FAA") unless a court or arbitrator determines that the FAA is inapplicable, in which case, the Agreement shall be governed by the California Arbitration Act (Code Civ. Proc. § 1280 et seq.). In ruling on procedural and substantive issues raised in the arbitration itself, the Arbitrator shall in all cases apply the substantive law of the State of California.

The Company shall pay the costs of arbitration. Each party shall pay its own costs and attorney's fees in any arbitration under this Agreement, unless a party prevails on a statutory claim, and the statute provides that the prevailing party is entitled to payment of its attorneys' fees. In that case, the arbitrator may award reasonable attorneys' fees and costs to the prevailing party as provided by law. The costs and fees of the arbitrator shall be paid by the Company.

If any provision of this Section 7 shall be held by a court or other arbitrator to be invalid, unenforceable or void, such provision shall be enforced to the fullest extent permitted by law, and the remainder of this Section 7 shall remain in full force and effect.

The parties' obligations under this Section 7 shall survive the termination of my employment with the Company.

The Company and I understand and agree that this Section 7 contains a full and complete statement of any agreements and understandings regarding resolution of disputes between us, and we agree that this Section 7 supersedes all previous agreements, whether written or oral, express or implied, relating to the subjects covered in this agreement. The parties also agree that the terms of this Section 7 cannot be revoked or modified except in a written document signed by both the Company President and me.

I UNDERSTAND THAT THIS ARBITRATION CLAUSE RELATES TO THE RESOLUTION OF ALL DISPUTES RELATING TO ALL ASPECTS OF THE EMPLOYER/EMPLOYEE RELATIONSHIP, INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING CLAIMS:

- i. Any and all claims for wrongful discharge of employment; termination in violation of public policy; discrimination of any kind, including, but not limited to, gender, age, race, national origin, sexual orientation and disability discrimination; harassment of any kind, including, but not limited to, harassment based on gender, age, race, national origin, sexual orientation, and/or disability; breach of contract, both express and implied; breach of a covenant of good faith and fair dealing, both express and implied; promissory estoppels; negligent or intentional infliction of emotional distress; negligent or intentional misrepresentation; negligent or intentional interference with contract or prospective economic advantage; negligent supervision; unfair business practices; defamation; libel; slander; negligence; personal injury; assault; battery; invasion of privacy; false imprisonment; and conversion;
- ii. Any and all claims for violation of any federal, state or municipal statute, including, but not limited to, Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans With Disabilities Act of 1990, the Family and Medical Rights Act, the Fair Labor Standards Act, the Employee Retirement Income Security Act of 1974, the Worker Adjustment and Retraining Notification Act, the Older Workers Benefits Protection Act, the California Fair Employment and Housing Act, the California Family Rights Act, California Business and Professions Code Section 17200, and California Labor Code Section 201, et seq. and Section 970, et seq.; and
- iii. Any and all claims arising out of any other laws and regulations relating to employment or employment discrimination.

- 1 **Governing Law.**
- 2 **Entire Agreement.**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

This letter between you and the Company sets forth the terms of your employment with the Company and supersedes any prior representations or agreements, whether written or oral, express or implied. This letter may not be modified or amended except by a written agreement signed by the [Chair of the Board of Directors/Chief Executive Officer/Company President] and you.

I hereby assign to the Company any rights I may have or acquire in such Proprietary Information and recognize that all Proprietary Information shall be the sole property of the Company and its assigns.

1.2 Proprietary Information. The term "**Proprietary Information**" shall mean any and all confidential and/or proprietary knowledge, data or information of the Company. By way of illustration but not limitation, "**Proprietary Information**" includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, software programs and subroutines, programs, methodologies, databases, database criteria, user profiles, scripts, algorithms, other original works of authorship, know-how, improvements, discoveries, developments, designs, concepts, and techniques conceived, created, developed, made, caused to be conceived or developed or reduced to practice (hereinafter collectively referred to as "**Inventions**"); and (b) information regarding plans for research, development, new products, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, suppliers and customers; (c) information about the security of the Company, including access codes, passwords, security protocols, system architecture, and/or employee or user identification; and (d) information regarding the skills and compensation of other employees of the Company.

1.3 Third Party Information. I understand, in addition, that the Company has received and in the future will receive from third parties confidential or proprietary information ("**Third Party Information**") subject to a duty on the Company's part to maintain the confidentiality of such

information and to use it only for certain limited purposes. During the term of my consulting relationship and thereafter, I shall hold Third Party Information in the strictest confidence and shall not disclose to anyone (other than Company personnel who need to know such information in connection with their work for the Company) or use, except in connection with my work for the Company, Third Party Information unless expressly authorized by an officer of the Company in writing.

1.4 No Improper Use of Information of Prior Employers and Others. During my consulting relationship with the Company I shall not improperly use or disclose any confidential information or trade secrets, if any, of any former employer or any other person to whom I have an obligation of confidentiality, and I shall not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person to whom I have an obligation of confidentiality unless consented to in writing by that former employer or person. I shall use in the performance of my duties only information which is generally known and used by persons with training and experience comparable to my own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided to or developed by the Company.

2. ASSIGNMENT OF INVENTIONS.

2.1 Proprietary Rights. The term "**Proprietary Rights**" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world.

2.2 Prior Inventions. Inventions, if any, patented or unpatented, (a) which I made prior to the commencement of my consulting relationship with the Company; and (b) that are not related to Business of the Company are excluded from the scope of this Agreement. "Business of the Company" as used herein includes, but is not limited to facilitating, creating, developing or marketing a mobile marketing application for business to consumer use. To preclude any possible uncertainty, I have set forth on *Exhibit B* (Previous Inventions) attached hereto a complete list

of all Inventions that I have, alone or jointly with others, conceived, developed or reduced to practice or caused to be conceived, developed or reduced to practice (i) prior to the commencement of my consulting relationship with the Company; and (ii) which is unrelated to the Business of the Company, that I consider to be my property or the property of third parties and that I wish to have excluded from the scope of this Agreement (collectively referred to as "**Prior Inventions**"). If disclosure of any such Prior Invention would cause me to violate any prior confidentiality agreement, I understand that I am not to list such Prior Inventions in *Exhibit B* but am only to disclose a cursory name for each such invention, a listing of the party(ies) to whom it belongs and the fact that full disclosure as to such inventions has not been made for that reason. A space is provided on *Exhibit B* for such purpose. If no such disclosure is attached, I represent that there are no Prior Inventions. If, in the course of my consulting relationship with the Company, I incorporate a Prior Invention into a Company product, process or machine, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, modify, use and sell such Prior Invention. Notwithstanding the foregoing, I agree that I shall not incorporate, or permit to be incorporated, Prior Inventions in any Company Inventions without the Company's prior written consent.

2.3 Assignment of Inventions. Subject to Sections 2.4, and 2.6, I hereby assign and agree to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company all my right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by me, either alone or jointly with others: (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the Company. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 2, are hereinafter referred to as "**Company Inventions**." I hereby waive any moral rights I may have in and to the Company Inventions.

If any part of the Inventions is based on, incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced,

distributed and otherwise exploited without using or violating technology or intellectual property rights owned or licensed by me and not assigned hereunder, I hereby grant Company a perpetual irrevocable, worldwide royalty free non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Inventions, other work performed hereunder or any assigned rights.

2.4 Nonassignable Inventions. This Agreement does not apply to an Invention which qualifies fully as a nonassignable Invention under Section 2870 of the California Labor Code (hereinafter "**Section 2870**"). I have reviewed the notification on *Exhibit A* (Limited Exclusion Notification) and agree that my signature acknowledges receipt of the notification.

2.5 Obligation to Keep Company Informed. During the period of my consulting relationship and for six (6) months after termination of my consulting relationship with the Company, I shall promptly disclose to the Company fully and in writing all Inventions authored, conceived or reduced to practice by me, either alone or jointly with others. In addition, I shall promptly disclose to the Company all patent applications filed by me or on my behalf within a year after termination of my consulting relationship with the Company. At the time of each such disclosure, I shall advise the Company in writing of any Inventions that I believe fully qualify for protection under Section 2870; and I shall at that time provide to the Company in writing all evidence necessary to substantiate that belief. The Company shall keep in confidence and shall not use for any purpose or disclose to third parties without my consent any confidential information disclosed in writing to the Company pursuant to this Agreement relating to Inventions that qualify fully for protection under the provisions of Section 2870. I shall preserve the confidentiality of any Invention that does not fully qualify for protection under Section 2870.

2.6 Government or Third Party. I also agree to assign all my right, title and interest in and to any particular Company Invention to a third party, including without limitation the United States, as directed by the Company.

2.7 Works for Hire. I acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of my consulting relationship and which are protectable by copyright are "works made for hire,"

pursuant to United States Copyright Act (17 U.S.C., Section 101) (collectively "Works for Hire"). To the extent that any such Works for Hire fail to qualify as "works made for hire" under the copyright laws of the United State or any other jurisdiction, I hereby assign each such Works for Hire and property and all rights therein in any jurisdiction to the Company.

2.8 Enforcement of Proprietary Rights. I shall assist the Company in every proper way to obtain, and from time to time enforce, United States and foreign Proprietary Rights relating to Company Inventions in any and all countries. To that end I shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing such Proprietary Rights and the assignment thereof. In addition, I shall execute, verify and deliver assignments of such Proprietary Rights to the Company or its designee. My obligation to assist the Company with respect to Proprietary Rights relating to such Company Inventions in any and all countries shall continue beyond the termination of my consulting relationship with the Company, but the Company shall compensate me at a reasonable rate after my termination for the time actually spent by me at the Company's request on such assistance.

In the event the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph with the same legal force and effect as if executed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

3. RECORDS. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Company) of all Proprietary Information developed by me and all Inventions made by me (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the

Company, which records shall be available to and remain the sole property of the Company at all times.

4. ADDITIONAL ACTIVITIES. I agree that during the period of my consulting relationship with the Company I shall not, without the Company's express written consent, engage in any consulting relationship or business activity which is competitive with, or would otherwise conflict with, my consulting relationship with the Company. I agree further that for the period of my consulting relationship with the Company and for one (1) year after the date of termination of my consulting relationship with the Company I shall not, either directly or through others, solicit or attempt to solicit any employee, independent contractor or consultant of the company to terminate his or her relationship with the Company in order to become an employee, consultant or independent contractor to or for any other person or entity.

5. NO CONFLICTING OBLIGATION. I represent that my performance of all the terms of this Agreement and as a consultant to the Company does not and shall not breach any agreement to keep in confidence information acquired by me in confidence or in trust prior to my consulting relationship with the Company. I have not entered into, and I agree I shall not enter into, any agreement either written or oral in conflict herewith.

6. RETURN OF COMPANY DOCUMENTS. When I leave my consulting relationship with the Company, I shall deliver to the Company any and all drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Company Inventions, Third Party Information or Proprietary Information of the Company. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. Prior to leaving, I shall cooperate with the Company in completing and signing the Company's termination statement.

7. LEGAL AND EQUITABLE REMEDIES. Because my services are personal and unique and because I may have access to and become acquainted with the Proprietary Information of the Company, the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

8. NOTICES. Any notices required or permitted hereunder shall be given to the appropriate party at the address specified below or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or if sent by certified or registered mail, three (3) days after the date of mailing.

9. NOTIFICATION OF NEW EMPLOYER OR COMPANY WITH WHICH I CONSULT. In the event that I leave my consulting relationship with the Company, I hereby consent to the notification of my new employer, or person or entity with which I consult, of my rights and obligations under this Agreement.

10. GENERAL PROVISIONS.

10.1 Governing Law; Consent to Personal Jurisdiction. This Agreement shall be governed by and construed according to the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents. I hereby expressly consent to the personal jurisdiction of the state and federal courts located in Santa Clara County, California for any lawsuit filed there against me by Company arising from or related to this Agreement.

10.2 Severability. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. If moreover, any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

10.3 Successors and Assigns. This Agreement shall be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of the Company, its successors, and its assigns.

10.4 Survival. The provisions of this Agreement shall survive the termination of my consulting relationship and the assignment of this

Agreement by the Company to any successor in interest or other assignee.

10.5 Consulting Relationship. I agree and understand that nothing in this Agreement shall confer any right with respect to continuation of consulting relationship with the Company, nor shall it interfere in any way with my right or the Company's right to terminate my consulting relationship at any time, with or without cause. I acknowledge and understand that I am an independent contractor and not a partner, joint venturer or agent of the Company and I shall not bind or attempt to bind the Company in contract. I am solely responsible for all taxes, withholding and other statutory or contractual obligations of any sort, including, but not limited to Workers' Compensation Insurance; and I agree to defend, indemnify and hold the Company harmless from any and all claims, damages, liability, attorney's fees and expenses on account of (i) an alleged failure by me to satisfy any such obligations or any other obligations (under this Agreement or otherwise) or (ii) any other action or inaction by me.

10.6 Waiver. No waiver by the Company of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

10.7 Advice of Counsel. I acknowledge that, in executing this Agreement, I have had the opportunity to seek the advice of independent legal counsel and I have read and understood all of the provisions of this Agreement. This Agreement shall not be construed against any party by reason of the drafting or preparation hereof.

10.8 Entire Agreement. The obligations pursuant to Sections 1 and 2 of this Agreement shall apply to any time during which I previously served as a consultant to, or in the future serve as a consultant to or am employed, by the Company as a consultant if no other agreement governs nondisclosure and assignment of inventions during such period. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between us. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing and signed by the party to be charged. Any subsequent change or changes in my duties, salary or

compensation shall not affect the validity or scope of this Agreement.

I UNDERSTAND THAT THIS AGREEMENT AFFECTS MY RIGHTS TO INVENTIONS: (A) THAT I MADE PRIOR TO MY CONSULTING RELATIONSHIP WITH THE COMPANY THAT RELATE TO THE BUSINESS OF THE COMPANY AND (B) THAT I MAKE DURING MY CONSULTING RELATIONSHIP WITH THE COMPANY.

This Agreement shall be effective as of the first day of my consulting relationship with the Company, namely.

I HAVE READ THIS AGREEMENT CAREFULLY AND UNDERSTAND ITS TERMS. I HAVE COMPLETELY FILLED OUT EXHIBIT B TO THIS AGREEMENT.

LIMITED EXCLUSION NOTIFICATION

THIS IS TO NOTIFY you in accordance with Section 2872 of the California Labor Code that the foregoing Agreement between you and the Company does not require you to assign or offer to assign to the Company any invention that you developed entirely on your own time without using the Company's equipment, supplies, facilities or trade secret information except for those inventions that either:

- 1.** Relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or
- 2.** Result from any work performed by you for the Company.

To the extent a provision in the foregoing Agreement purports to require you to assign an invention otherwise excluded from the preceding paragraph, the provision is against the public policy of this state and is unenforceable.

This limited exclusion does not apply to any patent or invention covered by a contract between the Company and the United States or any of its agencies requiring full title to such patent or invention to be in the United States.

Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov.(c) ☒ **Single** or **Married filing separately**☐ **Married filing jointly** or **Qualifying surviving spouse**☐ **Head of household** (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependent
and Other
Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by \$2,000 \$

Multiply the number of other dependents by \$500 \$

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here

3 \$**Step 4**
(optional):
Other
Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income

4(a) \$

(b) **Deductions.** If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here

4(b) \$

(c) **Extra withholding.** Enter any additional tax you want withheld each **pay period**

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

 - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b **2b** \$ _____
 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
- 2** Enter:

{	• \$30,000 if you're married filing jointly or a qualifying surviving spouse
	• \$22,500 if you're head of household
	• \$15,000 if you're single or married filing separately

EMPLOYMENT AGREEMENT

January 3, 2025

Dear **Ram Maruthy Bodepudi**,

On behalf of DROISYS Inc. (the "Company"), I am pleased to offer you the Contractual position of **ML Engineer with Python**.

The terms of your new position with the Company are as set forth below:

1. Position.

- a. You will become the **Contingent** Employee of the Company, working out of the Company's client site or corporate office in Fremont, California. You will report to the Chief Executive Officer or person designated by him.
- b. You agree that, to the best of your ability and experience, you will at all times loyally and conscientiously perform all of your duties and obligations to the Company, to the reasonable satisfaction of the Company. You further agree that, during the term of your employment with the Company, you will devote substantially all of your business time and attention to the business of the Company, you will not render commercial or professional services of any nature to any person or organization, whether or not for compensation, without the prior written consent of the Company's Board of Directors, and you will not directly or indirectly engage or participate in any business that is competitive in any manner with the business of the Company. Nothing in this Employment Agreement will prevent you from accepting speaking or presentation engagements in exchange for honoraria or from serving on boards of charitable organizations, or from owning no more than one percent (1%) of the outstanding equity securities of a corporation whose stock is listed on a national stock exchange.

2. Start Date.

Subject to fulfillment of any conditions imposed by this Employment Agreement, you will commence this new position with the Company **on or before January 13, 2025**.

3. Proof of Right to Work.

For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

4. Compensation.

a. Base Salary.

You will be paid as mentioned in SOW i.e. Schedule A.

5. At-Will Employment.

Notwithstanding the Company's obligations described in Sections 5 and 6 above, I understand and acknowledge that my employment with the Company is for no specific term and constitutes "at-will" employment. I also understand that any representation to the contrary is unauthorized, invalid, and cannot be relied upon by me unless obtained in writing and signed by the authorized signatory of the Company and me. I further understand and acknowledge that I may be terminated by the Company at any time, with or without notice, for any reason or no reason, with or without cause, at the option of either the Company or myself.

6. Arbitration and Equitable Relief.

I agree that any dispute or controversy arising out of, relating to, or concerning any interpretation, construction, performance or breach of this agreement, shall be settled by final and binding arbitration to be held in Alameda County, California, in accordance with the National Rules For The Resolution Of Employment Disputes of the American Arbitration Association ("the AAA Rules"). A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties. If the parties cannot agree on an arbitrator, an arbitrator shall be appointed in accordance with the appointment and selection procedures set forth in the AAA Rules. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this Arbitration Agreement. The arbitrator may grant injunctions or other equitable relief in such dispute or controversy. The arbitrator shall apply the same substantive law, with the same statute of limitations and remedies that would apply if the claims were brought in a court of law. The parties shall be entitled to the same discovery rights as if the claims were brought in a court of law. The arbitrator shall issue a written decision setting forth the essential findings and conclusions on which the award is based. The decision of the arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction. The Company shall pay the costs of the arbitration. The Company and I shall separately pay our attorney's fees and expenses, unless a party prevails on a statutory claim and the statute provides that the prevailing party is entitled to an award of attorney's fees. In that case, the arbitrator may award reasonable attorney's fees and costs to a prevailing party as provided by law.

A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties; however, if the parties are unable to agree upon an arbitrator within a reasonable period of time, then a neutral and impartial arbitrator shall be appointed in accordance with the arbitrator nomination and selection procedure set forth in the AAA Rules. The parties shall be entitled to the same discovery requests as if the claims were brought in a court of law. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this arbitration Agreement. The arbitrator shall apply the same substantive law, with the same statutes of limitations and same remedies that would apply if the claims were brought in a court of law. The arbitrator may grant injunctions or other equitable relief. The arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The decision of the

arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction.

Either the Company or I may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. In addition, either party may, at its option, apply to the Fremont Superior Court and/or the Federal District Court for the Northern District of California for a temporary restraining order, preliminary injunction, or other interim relief, as necessary, for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential or proprietary information of either party. Except as otherwise provided in this Agreement, neither party shall initiate or prosecute any lawsuit in any way related to any arbitrable claim, including without limitation any claim as to the making, existence, validity, or enforceability of the agreement to arbitrate. All arbitration hearings under this Agreement shall be conducted in Fremont, California. Nothing in this Agreement precludes a party from filing an administrative charge before an agency that has jurisdiction over an arbitrable claim. In addition, either party may, at its option, seek injunctive relief in any court of competent jurisdiction for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential and/or proprietary information of either party.

This Agreement shall be governed by the Federal Arbitration Act ("FAA") unless a court or arbitrator determines that the FAA is inapplicable, in which case, the Agreement shall be governed by the California Arbitration Act (Code Civ. Proc. § 1280 et seq.). In ruling on procedural and substantive issues raised in the arbitration itself, the Arbitrator shall in all cases apply the substantive law of the State of California.

The Company shall pay the costs of arbitration. Each party shall pay its own costs and attorney's fees in any arbitration under this Agreement, unless a party prevails on a statutory claim, and the statute provides that the prevailing party is entitled to payment of its attorneys' fees. In that case, the arbitrator may award reasonable attorneys' fees and costs to the prevailing party as provided by law. The costs and fees of the arbitrator shall be paid by the Company.

If any provision of this Section 7 shall be held by a court or other arbitrator to be invalid, unenforceable or void, such provision shall be enforced to the fullest extent permitted by law, and the remainder of this Section 7 shall remain in full force and effect.

The parties' obligations under this Section 7 shall survive the termination of my employment with the Company.

The Company and I understand and agree that this Section 7 contains a full and complete statement of any agreements and understandings regarding resolution of disputes between us, and we agree that this Section 7 supersedes all previous agreements, whether written or oral, express or implied, relating to the subjects covered in this agreement. The parties also agree that the terms of this Section 7 cannot be revoked or modified except in a written document signed by both the Company President and me.

I UNDERSTAND THAT THIS ARBITRATION CLAUSE RELATES TO THE RESOLUTION OF ALL DISPUTES RELATING TO ALL ASPECTS OF THE EMPLOYER/EMPLOYEE RELATIONSHIP, INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING CLAIMS:

- i. Any and all claims for wrongful discharge of employment; termination in violation of public policy; discrimination of any kind, including, but not limited to, gender, age, race, national origin, sexual orientation and disability discrimination; harassment of any kind, including, but not limited to, harassment based on gender, age, race, national origin, sexual orientation, and/or disability; breach of contract, both express and implied; breach of a covenant of good faith and fair dealing, both express and implied; promissory estoppels; negligent or intentional infliction of emotional distress; negligent or intentional misrepresentation; negligent or intentional interference with contract or prospective economic advantage; negligent supervision; unfair business practices; defamation; libel; slander; negligence; personal injury; assault; battery; invasion of privacy; false imprisonment; and conversion;
- ii. Any and all claims for violation of any federal, state or municipal statute, including, but not limited to, Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans With Disabilities Act of 1990, the Family and Medical Rights Act, the Fair Labor Standards Act, the Employee Retirement Income Security Act of 1974, the Worker Adjustment and Retraining Notification Act, the Older Workers Benefits Protection Act, the California Fair Employment and Housing Act, the California Family Rights Act, California Business and Professions Code Section 17200, and California Labor Code Section 201, et seq. and Section 970, et seq.; and
- iii. Any and all claims arising out of any other laws and regulations relating to employment or employment discrimination.

- 1 **Governing Law.**
- 2 **Entire Agreement.**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

This letter between you and the Company sets forth the terms of your employment with the Company and supersedes any prior representations or agreements, whether written or oral, express or implied. This letter may not be modified or amended except by a written agreement signed by the [Chair of the Board of Directors/Chief Executive Officer/Company President] and you.

To indicate your acceptance of the Company's offer, please sign and date this letter in the space provided below and return it to me, along with a signed and dated copy of the Confidentiality Agreement.

CONSULTANT PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

In consideration of my consulting relationship with Droisys Inc. Inc. (the "**Company**"), and the compensation now and hereafter provided to me, I hereby agree as follows:

1. NONDISCLOSURE

1.1 Recognition of Company's Rights; Nondisclosure. At all times during my consulting relationship with the Company and thereafter, I shall hold in strictest confidence and shall not disclose, use, lecture upon or publish any of the Company's Proprietary Information (defined below), except as such disclosure, use or publication may be required in connection with my work for the Company, or unless an officer of the Company expressly authorizes such in writing. I hereby assign to the Company any rights I may have or acquire in such Proprietary Information and recognize that all Proprietary Information shall be the sole property of the Company and its assigns.

1.2 Proprietary Information. The term "**Proprietary Information**" shall mean any and all confidential and/or proprietary knowledge, data or information of the Company. By way of illustration but not limitation, "**Proprietary Information**" includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, software programs and subroutines, programs, methodologies, databases, database criteria, user profiles, scripts, algorithms, other original works of authorship, know-how, improvements, discoveries, developments, designs, concepts, and techniques conceived, created, developed, made, caused to be conceived or developed or reduced to practice (hereinafter collectively referred to as "**Inventions**"); and (b) information regarding plans for research, development, new products, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, suppliers and customers; (c) information about the security of the Company, including access codes, passwords, security protocols, system architecture, and/or employee or user identification; and (d) information regarding the skills and compensation of other employees of the Company.

1.3 Third Party Information. I understand, in addition, that the Company has received and in the future will receive from third parties confidential or proprietary information ("**Third Party Information**") subject to a duty on the Company's part to maintain the confidentiality of such

information and to use it only for certain limited purposes. During the term of my consulting relationship and thereafter, I shall hold Third Party Information in the strictest confidence and shall not disclose to anyone (other than Company personnel who need to know such information in connection with their work for the Company) or use, except in connection with my work for the Company, Third Party Information unless expressly authorized by an officer of the Company in writing.

1.4 No Improper Use of Information of Prior Employers and Others. During my consulting relationship with the Company I shall not improperly use or disclose any confidential information or trade secrets, if any, of any former employer or any other person to whom I have an obligation of confidentiality, and I shall not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person to whom I have an obligation of confidentiality unless consented to in writing by that former employer or person. I shall use in the performance of my duties only information which is generally known and used by persons with training and experience comparable to my own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided to or developed by the Company.

2. ASSIGNMENT OF INVENTIONS.

2.1 Proprietary Rights. The term "**Proprietary Rights**" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world.

2.2 Prior Inventions. Inventions, if any, patented or unpatented, (a) which I made prior to the commencement of my consulting relationship with the Company; and (b) that are not related to Business of the Company are excluded from the scope of this Agreement. "Business of the Company" as used herein includes, but is not limited to facilitating, creating, developing or marketing a mobile marketing application for business to consumer use. To preclude any possible uncertainty, I have set forth on *Exhibit B* (Previous Inventions) attached hereto a complete list

of all Inventions that I have, alone or jointly with others, conceived, developed or reduced to practice or caused to be conceived, developed or reduced to practice (i) prior to the commencement of my consulting relationship with the Company; and (ii) which is unrelated to the Business of the Company, that I consider to be my property or the property of third parties and that I wish to have excluded from the scope of this Agreement (collectively referred to as "**Prior Inventions**"). If disclosure of any such Prior Invention would cause me to violate any prior confidentiality agreement, I understand that I am not to list such Prior Inventions in *Exhibit B* but am only to disclose a cursory name for each such invention, a listing of the party(ies) to whom it belongs and the fact that full disclosure as to such inventions has not been made for that reason. A space is provided on *Exhibit B* for such purpose. If no such disclosure is attached, I represent that there are no Prior Inventions. If, in the course of my consulting relationship with the Company, I incorporate a Prior Invention into a Company product, process or machine, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, modify, use and sell such Prior Invention. Notwithstanding the foregoing, I agree that I shall not incorporate, or permit to be incorporated, Prior Inventions in any Company Inventions without the Company's prior written consent.

2.3 Assignment of Inventions. Subject to Sections 2.4, and 2.6, I hereby assign and agree to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company all my right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by me, either alone or jointly with others: (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the Company. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 2, are hereinafter referred to as "**Company Inventions**." I hereby waive any moral rights I may have in and to the Company Inventions.

If any part of the Inventions is based on, incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced,

distributed and otherwise exploited without using or violating technology or intellectual property rights owned or licensed by me and not assigned hereunder, I hereby grant Company a perpetual irrevocable, worldwide royalty free non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Inventions, other work performed hereunder or any assigned rights.

2.4 Nonassignable Inventions. This Agreement does not apply to an Invention which qualifies fully as a nonassignable Invention under Section 2870 of the California Labor Code (hereinafter "**Section 2870**"). I have reviewed the notification on *Exhibit A* (Limited Exclusion Notification) and agree that my signature acknowledges receipt of the notification.

2.5 Obligation to Keep Company Informed. During the period of my consulting relationship and for six (6) months after termination of my consulting relationship with the Company, I shall promptly disclose to the Company fully and in writing all Inventions authored, conceived or reduced to practice by me, either alone or jointly with others. In addition, I shall promptly disclose to the Company all patent applications filed by me or on my behalf within a year after termination of my consulting relationship with the Company. At the time of each such disclosure, I shall advise the Company in writing of any Inventions that I believe fully qualify for protection under Section 2870; and I shall at that time provide to the Company in writing all evidence necessary to substantiate that belief. The Company shall keep in confidence and shall not use for any purpose or disclose to third parties without my consent any confidential information disclosed in writing to the Company pursuant to this Agreement relating to Inventions that qualify fully for protection under the provisions of Section 2870. I shall preserve the confidentiality of any Invention that does not fully qualify for protection under Section 2870.

2.6 Government or Third Party. I also agree to assign all my right, title and interest in and to any particular Company Invention to a third party, including without limitation the United States, as directed by the Company.

2.7 Works for Hire. I acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of my consulting relationship and which are protectable by copyright are "works made for hire,"

pursuant to United States Copyright Act (17 U.S.C., Section 101) (collectively "Works for Hire"). To the extent that any such Works for Hire fail to qualify as "works made for hire" under the copyright laws of the United State or any other jurisdiction, I hereby assign each such Works for Hire and property and all rights therein in any jurisdiction to the Company.

2.8 Enforcement of Proprietary Rights. I shall assist the Company in every proper way to obtain, and from time to time enforce, United States and foreign Proprietary Rights relating to Company Inventions in any and all countries. To that end I shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing such Proprietary Rights and the assignment thereof. In addition, I shall execute, verify and deliver assignments of such Proprietary Rights to the Company or its designee. My obligation to assist the Company with respect to Proprietary Rights relating to such Company Inventions in any and all countries shall continue beyond the termination of my consulting relationship with the Company, but the Company shall compensate me at a reasonable rate after my termination for the time actually spent by me at the Company's request on such assistance.

In the event the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph with the same legal force and effect as if executed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

3. RECORDS. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Company) of all Proprietary Information developed by me and all Inventions made by me (a) prior to the commencement of my consulting relationship with the Company but related to the Business of the Company and (b) during the period of my consulting relationship with the

Company, which records shall be available to and remain the sole property of the Company at all times.

4. ADDITIONAL ACTIVITIES. I agree that during the period of my consulting relationship with the Company I shall not, without the Company's express written consent, engage in any consulting relationship or business activity which is competitive with, or would otherwise conflict with, my consulting relationship with the Company. I agree further that for the period of my consulting relationship with the Company and for one (1) year after the date of termination of my consulting relationship with the Company I shall not, either directly or through others, solicit or attempt to solicit any employee, independent contractor or consultant of the company to terminate his or her relationship with the Company in order to become an employee, consultant or independent contractor to or for any other person or entity.

5. NO CONFLICTING OBLIGATION. I represent that my performance of all the terms of this Agreement and as a consultant to the Company does not and shall not breach any agreement to keep in confidence information acquired by me in confidence or in trust prior to my consulting relationship with the Company. I have not entered into, and I agree I shall not enter into, any agreement either written or oral in conflict herewith.

6. RETURN OF COMPANY DOCUMENTS. When I leave my consulting relationship with the Company, I shall deliver to the Company any and all drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Company Inventions, Third Party Information or Proprietary Information of the Company. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. Prior to leaving, I shall cooperate with the Company in completing and signing the Company's termination statement.

7. LEGAL AND EQUITABLE REMEDIES. Because my services are personal and unique and because I may have access to and become acquainted with the Proprietary Information of the Company, the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

8. NOTICES. Any notices required or permitted hereunder shall be given to the appropriate party at the address specified below or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or if sent by certified or registered mail, three (3) days after the date of mailing.

9. NOTIFICATION OF NEW EMPLOYER OR COMPANY WITH WHICH I CONSULT. In the event that I leave my consulting relationship with the Company, I hereby consent to the notification of my new employer, or person or entity with which I consult, of my rights and obligations under this Agreement.

10. GENERAL PROVISIONS.

10.1 Governing Law; Consent to Personal Jurisdiction. This Agreement shall be governed by and construed according to the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents. I hereby expressly consent to the personal jurisdiction of the state and federal courts located in Santa Clara County, California for any lawsuit filed there against me by Company arising from or related to this Agreement.

10.2 Severability. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. If moreover, any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

10.3 Successors and Assigns. This Agreement shall be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of the Company, its successors, and its assigns.

10.4 Survival. The provisions of this Agreement shall survive the termination of my consulting relationship and the assignment of this

Agreement by the Company to any successor in interest or other assignee.

10.5 Consulting Relationship. I agree and understand that nothing in this Agreement shall confer any right with respect to continuation of consulting relationship with the Company, nor shall it interfere in any way with my right or the Company's right to terminate my consulting relationship at any time, with or without cause. I acknowledge and understand that I am an independent contractor and not a partner, joint venturer or agent of the Company and I shall not bind or attempt to bind the Company in contract. I am solely responsible for all taxes, withholding and other statutory or contractual obligations of any sort, including, but not limited to Workers' Compensation Insurance; and I agree to defend, indemnify and hold the Company harmless from any and all claims, damages, liability, attorney's fees and expenses on account of (i) an alleged failure by me to satisfy any such obligations or any other obligations (under this Agreement or otherwise) or (ii) any other action or inaction by me.

10.6 Waiver. No waiver by the Company of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

10.7 Advice of Counsel. I acknowledge that, in executing this Agreement, I have had the opportunity to seek the advice of independent legal counsel and I have read and understood all of the provisions of this Agreement. This Agreement shall not be construed against any party by reason of the drafting or preparation hereof.

10.8 Entire Agreement. The obligations pursuant to Sections 1 and 2 of this Agreement shall apply to any time during which I previously served as a consultant to, or in the future serve as a consultant to or am employed, by the Company as a consultant if no other agreement governs nondisclosure and assignment of inventions during such period. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between us. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing and signed by the party to be charged. Any subsequent change or changes in my duties, salary or

compensation shall not affect the validity or scope of this Agreement.

I UNDERSTAND THAT THIS AGREEMENT AFFECTS MY RIGHTS TO INVENTIONS: (A) THAT I MADE PRIOR TO MY CONSULTING RELATIONSHIP WITH THE COMPANY THAT RELATE TO THE BUSINESS OF THE COMPANY AND (B) THAT I MAKE DURING MY CONSULTING RELATIONSHIP WITH THE COMPANY.

This Agreement shall be effective as of the first day of my consulting relationship with the Company, namely.

I HAVE READ THIS AGREEMENT CAREFULLY AND UNDERSTAND ITS TERMS. I HAVE COMPLETELY FILLED OUT EXHIBIT B TO THIS AGREEMENT.

THIS IS TO NOTIFY you in accordance with Section 2872 of the California Labor Code that the foregoing Agreement between you and the Company does not require you to assign or offer to assign to the Company any invention that you developed entirely on your own time without using the Company's equipment, supplies, facilities or trade secret information except for those inventions that either:

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

**Step 2:
Multiple Jobs
or Spouse
Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

**Step 3:
Claim
Dependent
and Other
Credits**

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by \$2,000 \$

Multiply the number of other dependents by \$500 \$

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here

3 \$**Step 4
(optional):

Adjustments**

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income

4(a) \$

(b) **Deductions.** If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
- 2** Enter:

{	• \$30,000 if you're married filing jointly or a qualifying surviving spouse

EMPLOYMENT AGREEMENT

January 3, 2025

Dear **Ram Maruthy Bodepudi**,

On behalf of DROISYS Inc. (the "Company"), I am pleased to offer you the Contractual position of **ML Engineer with Python**.

The terms of your new position with the Company are as set forth below:

1. Position.

- a. You will become the **Contingent** Employee of the Company, working out of the Company's client site or corporate office in Fremont, California. You will report to the Chief Executive Officer or person designated by him.
- b. You agree that, to the best of your ability and experience, you will at all times loyally and conscientiously perform all of your duties and obligations to the Company, to the reasonable satisfaction of the Company. You further agree that, during the term of your employment with the Company, you will devote substantially all of your business time and attention to the business of the Company, you will not render commercial or professional services of any nature to any person or organization, whether or not for compensation, without the prior written consent of the Company's Board of Directors, and you will not directly or indirectly engage or participate in any business that is competitive in any manner with the business of the Company. Nothing in this Employment Agreement will prevent you from accepting speaking or presentation engagements in exchange for honoraria or from serving on boards of charitable organizations, or from owning no more than one percent (1%) of the outstanding equity securities of a corporation whose stock is listed on a national stock exchange.

2. Start Date.

Subject to fulfillment of any conditions imposed by this Employment Agreement, you will commence this new position with the Company **on or before January 13, 2025**.

3. Proof of Right to Work.

For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

4. Compensation.

a. Base Salary.

You will be paid as mentioned in SOW i.e. Schedule A.

5. At-Will Employment.

Notwithstanding the Company's obligations described in Sections 5 and 6 above, I understand and acknowledge that my employment with the Company is for no specific term and constitutes "at-will" employment. I also understand that any representation to the contrary is unauthorized, invalid, and cannot be relied upon by me unless obtained in writing and signed by the authorized signatory of the Company and me. I further understand and acknowledge that I may be terminated by the Company at any time, with or without notice, for any reason or no reason, with or without cause, at the option of either the Company or myself.

6. Arbitration and Equitable Relief.

I agree that any dispute or controversy arising out of, relating to, or concerning any interpretation, construction, performance or breach of this agreement, shall be settled by final and binding arbitration to be held in Alameda County, California, in accordance with the National Rules For The Resolution Of Employment Disputes of the American Arbitration Association ("the AAA Rules"). A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties. If the parties cannot agree on an arbitrator, an arbitrator shall be appointed in accordance with the appointment and selection procedures set forth in the AAA Rules. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this Arbitration Agreement. The arbitrator may grant injunctions or other equitable relief in such dispute or controversy. The arbitrator shall apply the same substantive law, with the same statute of limitations and remedies that would apply if the claims were brought in a court of law. The parties shall be entitled to the same discovery rights as if the claims were brought in a court of law. The arbitrator shall issue a written decision setting forth the essential findings and conclusions on which the award is based. The decision of the arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction. The Company shall pay the costs of the arbitration. The Company and I shall separately pay our attorney's fees and expenses, unless a party prevails on a statutory claim and the statute provides that the prevailing party is entitled to an award of attorney's fees. In that case, the arbitrator may award reasonable attorney's fees and costs to a prevailing party as provided by law.

A neutral and impartial arbitrator shall be chosen by mutual agreement of the parties; however, if the parties are unable to agree upon an arbitrator within a reasonable period of time, then a neutral and impartial arbitrator shall be appointed in accordance with the arbitrator nomination and selection procedure set forth in the AAA Rules. The parties shall be entitled to the same discovery requests as if the claims were brought in a court of law. The arbitrator shall have all powers conferred by law, including the power to determine the validity of this arbitration Agreement. The arbitrator shall apply the same substantive law, with the same statutes of limitations and same remedies that would apply if the claims were brought in a court of law. The arbitrator may grant injunctions or other equitable relief. The arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The decision of the

arbitrator shall be final, conclusive and binding on the parties to the arbitration. Judgment may be entered on the arbitrator's decision in any court having jurisdiction.

Either the Company or I may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. In addition, either party may, at its option, apply to the Fremont Superior Court and/or the Federal District Court for the Northern District of California for a temporary restraining order, preliminary injunction, or other interim relief, as necessary, for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential or proprietary information of either party. Except as otherwise provided in this Agreement, neither party shall initiate or prosecute any lawsuit in any way related to any arbitrable claim, including without limitation any claim as to the making, existence, validity, or enforceability of the agreement to arbitrate. All arbitration hearings under this Agreement shall be conducted in Fremont, California. Nothing in this Agreement precludes a party from filing an administrative charge before an agency that has jurisdiction over an arbitrable claim. In addition, either party may, at its option, seek injunctive relief in any court of competent jurisdiction for any claim or controversy arising out of or related to the unauthorized use, disclosure, or misappropriation of the confidential and/or proprietary information of either party.

This Agreement shall be governed by the Federal Arbitration Act ("FAA") unless a court or arbitrator determines that the FAA is inapplicable, in which case, the Agreement shall be governed by the California Arbitration Act (Code Civ. Proc. § 1280 et seq.). In ruling on procedural and substantive issues raised in the arbitration itself, the Arbitrator shall in all cases apply the substantive law of the State of California.

The Company shall pay the costs of arbitration. Each party shall pay its own costs and attorney's fees in any arbitration under this Agreement, unless a party prevails on a statutory claim, and the statute provides that the prevailing party is entitled to payment of its attorneys' fees. In that case, the arbitrator may award reasonable attorneys' fees and costs to the prevailing party as provided by law. The costs and fees of the arbitrator shall be paid by the Company.

If any provision of this Section 7 shall be held by a court or other arbitrator to be invalid, unenforceable or void, such provision shall be enforced to the fullest extent permitted by law, and the remainder of this Section 7 shall remain in full force and effect.

The parties' obligations under this Section 7 shall survive the termination of my employment with the Company.

The Company and I understand and agree that this Section 7 contains a full and complete statement of any agreements and understandings regarding resolution of disputes between us, and we agree that this Section 7 supersedes all previous agreements, whether written or oral, express or implied, relating to the subjects covered in this agreement. The parties also agree that the terms of this Section 7 cannot be revoked or modified except in a written document signed by both the Company President and me.

I UNDERSTAND THAT THIS ARBITRATION CLAUSE RELATES TO THE RESOLUTION OF ALL DISPUTES RELATING TO ALL ASPECTS OF THE EMPLOYER/EMPLOYEE RELATIONSHIP, INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING CLAIMS:

- i. Any and all claims for wrongful discharge of employment; termination in violation of public policy; discrimination of any kind, including, but not limited to, gender, age, race, national origin, sexual orientation and disability discrimination; harassment of any kind, including, but not limited to, harassment based on gender, age, race, national origin, sexual orientation, and/or disability; breach of contract, both express and implied; breach of a covenant of good faith and fair dealing, both express and implied; promissory estoppels; negligent or intentional infliction of emotional distress; negligent or intentional misrepresentation; negligent or intentional interference with contract or prospective economic advantage; negligent supervision; unfair business practices; defamation; libel; slander; negligence; personal injury; assault; battery; invasion of privacy; false imprisonment; and conversion;
- ii. Any and all claims for violation of any federal, state or municipal statute, including, but not limited to, Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans With Disabilities Act of 1990, the Family and Medical Rights Act, the Fair Labor Standards Act, the Employee Retirement Income Security Act of 1974, the Worker Adjustment and Retraining Notification Act, the Older Workers Benefits Protection Act, the California Fair Employment and Housing Act, the California Family Rights Act, California Business and Professions Code Section 17200, and California Labor Code Section 201, et seq. and Section 970, et seq.; and
- iii. Any and all claims arising out of any other laws and regulations relating to employment or employment discrimination.

- 1 **Governing Law.**
- 2 **Entire Agreement.**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

This letter between you and the Company sets forth the terms of your employment with the Company and supersedes any prior representations or agreements, whether written or oral, express or implied. This letter may not be modified or amended except by a written agreement signed by the [Chair of the Board of Directors/Chief Executive Officer/Company President] and you.
